

GRADE 10 COMMUNITY SERVICE LEARNING (CSL) TERM 2 LESSON PLANS

Grade 10 Community Service Learning LESSON PLAN: Week 1, Lesson 1

SCHOOL	LEVEL	LEARNING AREA	DATE	TIME	ROLL
..... ...	Grade 10	Community Service Learning			

WEEK 1: LESSON 1

Strand:

3.0 Action Research

Sub Strand:

3.1 Introduction to Action Research

Specific Learning Outcomes:

By the end of the lesson, the learner should be able to:

Explain the meaning of action research.

Key Inquiry Question(s):

What is action research and why is it useful in communities?

Core Competencies, Values, and PCIs:

Core Competencies	Values	PCIs
Communication and Collaboration	Responsibility	Citizenship (Community awareness)
Critical Thinking and Problem Solving	Respect	Social cohesion

Learning Resources:

Charts

Textbooks

Digital devices

Organization of Learning:**Introduction (5 minutes):**

Brainstorm common problems faced in the local community with the learners.

Introduce the concept of research as a structured way to understand and solve these problems.

Lesson Development (25 minutes):

Step 1: Present the formal definition of action research using charts and digital devices.

Step 2: Facilitate a class discussion exploring how action research differs from standard problem-solving.

Step 3: Learners discuss specific community problems that could benefit from an action research approach.

Step 4: Conduct a guided reading session from the textbooks to solidify their understanding of the concept.

Conclusion (10 minutes):

Review the key definition and purpose of action research.

Ask learners oral questions to assess their understanding of its usefulness in communities.

Extended Activities:

Learners to observe their immediate home environment and list two potential problems that might require research.
