Organization of Learning:

Introduction (5 minutes):

- Introduce the lesson by asking learners to name businesses they see on their way to school.
- Prompt a Think-Pair-Share activity on what comes to mind when they hear the word "entrepreneur".

Lesson Development (25 minutes):

- **Step 1:** Guide learners using digital devices to search for the formal definition and key features of entrepreneurship (e.g., risk-taking, innovation, value addition).
- **Step 2:** Play a short video clip showcasing various local entrepreneurs solving everyday problems through business.
- **Step 3:** In small groups, instruct learners to identify and list examples of entrepreneurs within their local community and the specific needs they meet.
- **Step 4:** Have group representatives share their examples with the class, synthesising how enterprise concepts connect to community life.

Conclusion (10 minutes):

- Conduct a quick oral Q&A session asking learners to define entrepreneurship and list two distinct features.
- Summarise the key concepts, emphasising that entrepreneurship combines innovation and risk-taking to deliver community value.
