

**GRADE 2 RATIONALIZED MATHEMATICAL ACTIVITIES TERM 3 LESSON
PLANS - KLB LOWER PRIMARY**

Grade 2 MATHEMATICS LESSON PLAN: Week 1, Lesson 1

SCHOOL	LEVEL	LEARNING AREA	DATE	TIME	ROLL
.....	Grade 2	Mathematics			

WEEK 1: LESSON 1 **Strand:**

1.0 Numbers

Sub Strand:

1.1 Reading numbers in symbols

Specific Learning Outcomes:

By the end of the lesson, the learner should be able to:

- Read number symbols up to 100.
- Practice reading numbers correctly using number cards and charts.
- Appreciate the use of numbers in real-life situations.

Key Inquiry Question(s):

- How do you read number symbols?

Core Competencies, Values, and PCIs:

Core Competencies	Value s	PCIs
Communication and collaboration	Respec t	Life skills: Effective communication
Self-efficacy	Unity	Financial literacy: Identifying numbers

Learning Resources:

- Number cards (1 to 100), wall charts, audio-visual clips
- KLB Lower Primary Mathematics Pupil's Book 2 page 160
- KLB Lower Primary Mathematics Teacher's Guide Grade 2 pages 1-2

Organization of Learning:

Introduction (5 minutes):

- Display a number chart (1-20) and prompt learners to recite familiar numbers in unison.
- State the focus of the lesson: learning to recognize and read number symbols up to 100.

Lesson Development (25 minutes):

- **Step 1:** Display large number cards from 1 up to 100 on the board; point at selected numbers (e.g., 10, 25, 50, 78, 100) and model their correct names clearly.
- **Step 2:** Guide learners in pairs to take turns holding up flashcards and reading the number symbols shown aloud to each other.
- **Step 3:** Conduct a group call-and-response activity where groups identify and read randomly selected numbers pointed to on the class wall chart.
- **Step 4:** Have individual learners pick random cards from a basket, display them to the class, and read the number symbols aloud confidently.

Conclusion (10 minutes):

- Conduct a quick flashcard quiz to check individual recognition of numbers up to 100.
- Summarize key reading patterns for two-digit numbers and praise active participation.

Extended Activities:

- Learners to practice reading printed numbers found on wall calendars or packaging at home with parents or guardians.

Teacher Self-Evaluation:
