SOCIAL STUDIES

a. Career and entrepreneurial opportunities in Social Studies

The main goal of teaching social studies is to teach students to become good citizens. We are living in a diverse society — one that requires knowledge of social studies to succeed. With a social studies background, children become adults that can participate civilly in our democratic society. Social studies connect students with the real world.

Specific topics within social studies that are studied in school coursework include:

- a) geography,
- b) anthropology,
- c) economics,
- d) history,
- e) sociology,
- f) political science, and
- g) civics.
