STRAND: THE CHURCH

SUB-STRAND: The Early Church - Characteristics, Learning and Fellowship

SPECIFIC LEARNING OUTCOMES: By the end of the lesson, the learner should be able to:

- Discuss the characteristics of the Early Church.
- Describe how the Early Church exhibited devotion to preaching.
- Appreciate the importance of preaching in the church today. **KEY INQUIRY QUESTION(S):** How can you apply lessons learnt from the Early Church in your life? **LEARNING RESOURCES:**
- KLB Top Scholar CRE Grade 9 Textbook (pg. 107-108)
- The Bible (Acts 2:41-47), Charts, Digital devices **ORGANISATION OF LEARNING:** Learners will work in pairs for Bible study and discussion, followed by a class presentation.

INTRODUCTION

The teacher will begin by asking learners what they think makes a church community strong and united. This will lead into an exploration of the very first Christian community, the Early Church, as a model.

LESSON DEVELOPMENT

Learners are guided in pairs to:

- **STEP 1:** Read the Bible passage Acts 2:41-47, which describes life in the Early Church.
- **STEP 2:** From the passage, identify and list the key characteristics of the Early Church (e.g., devotion to the apostles' teaching, fellowship, breaking of bread, prayer, sharing possessions).
- **STEP 3:** Specifically discuss how the Early Church was devoted to the apostles' teaching (preaching). They will analyze why this was a central activity for the new believers.
- **STEP 4:** Each pair will write down their points and prepare to share one key characteristic with the rest of the class, explaining its importance.

CONCLUSION

The teacher will facilitate the presentations and create a master list of the characteristics on the board. The lesson will conclude by emphasizing that a commitment to learning and fellowship, as seen in the Early Church, is still vital for Christians today.

EXTENDED ACTIVITIES

Learners to ask a church leader or an elder in their church about the importance of preaching in their services.
