STRAND 1

FOUNDATION OF CREATIVE ARTS AND SPORTS

1.1 SUBSTRAND: CAREERS IN CREATIVE ARTS AND SPORTS.

Career: A career is a person's journey through learning, work, and other aspects of life.

It's the long-term path a person chooses in a particular field, aiming for growth and achieving goals over time.

Careers in Creative Arts

The following are some of the careers in Creative Arts:

1. Graphic Designer – Creates visual content for ads, websites, and brands.
2. Musician – Performs or composes music across genres.
3. Actor – Portrays characters in movies, TV shows, or theater.
4. Photographer – Captures images for fashion, events, journalism, or art.
5. Writer – Writes books, scripts, or articles in fiction or nonfiction.
6. Animator – Creates animated visuals for films, video games, and advertisements.
7. Fashion Designer – Designs clothing and accessories, often setting trends.
8. Interior Designer – Plans and styles the interiors of homes, offices, or commercial spaces.
9. Art Director – Oversees visual style and creative direction for projects, like magazines, ads, or films.
10. Dancer/Choreographer – Performs dance routines or designs movements for performers.
11. Illustrator – Draws or creates artwork for books, advertising, or online content.
12. Film Director – Directs films, shaping stories and guiding actors and crew.
13. Set Designer – Designs physical settings for movies, theater, and television productions.
