Organisation of Learning:

Introduction (5 minutes):

- Review the previous lesson.
- Guide learners to read and discuss relevant content from the learning resources, emphasizing the understanding of the key concepts.

Lesson Development (20 minutes):

Step 1: Why should we respect ourselves?

- Explain to learners the importance of self-respect and how it impacts their relationships with others.

Step 2: Ways to respect self and others at school

- Discuss and identify specific ways to show respect to oneself and others in a school setting.

Step 3: Showing respect to others at school

- Role-play scenarios where learners demonstrate respect towards their peers and teachers.

Step 4: Appreciating other learners

- Encourage learners to appreciate the unique qualities and differences among their peers.

Conclusion (5 minutes):

- Summarize key points and learning objectives achieved during the lesson.
- Conduct a brief interactive activity to reinforce the main topics.
- Prepare learners for the next session with a preview of upcoming topics or questions to consider.

Extended Activities:

- Create posters or drawings showcasing acts of respect towards self and others.
- Write a short story or poem about the importance of respect in relationships.

Teacher Self-Evaluation:
